The Darwin Experience

In a city which revolves around its spectacular sunsets, there's no better way to experience the Top End than on our vessel, Charles Darwin. The Charles Darwin is an impressive steel-hulled catamaran designed with room to relax and take it all in. The vessel boasts three expansive levels, two separate interior spaces plus Bow and Sundeck to experience amazing and uninterrupted 360-degree views. Cruising on Darwin Harbour, glide past iconic landmarks and witness a world-famous sunset.

It's not just about the harbour though. Working closely with local suppliers, our menus are curated with a focus on using local seasonal Northern Territory produce.
